

Praise the Lord

-Travis and Kay have completed the first half of an intense Spanish Language Study. YAY!!!!

-For the friendships and the lives of the graduates and missionaries that are now leaving RGBI to head to the mission field that God has called them to.

-For the baby we are expecting in the summer of 2016.

-AND FOR YOU, for encouraging us and being a faithful prayer and/or support partner----Thank you!

Prayer Requests:

- Please pray for God's provision in making connections and opening doors for us to visit churches and share with interested people about our involvement in missions at RGBM.

-For provision over the details of when, where and who to visit on deputation and over all necessary travel and lodging details.

-For our support level to increase: it is currently \$600-\$700 a month; we need it to reach \$3000.

-Please pray for good health for Angie and the baby.

-For strength and energy for Kay as she goes through the second semester of language school and for the LORD's guidance in her future decisions.

Greetings from the Valleys

Thanksgiving at RIO Grande Bible Ministries

Each year many of RGBM's Language and Bible College students and staff use their Thanksgiving break to go out on mission trips to serve in Mexico and other areas.

We are thankful to the Lord that He provided safety to all the teams that went, including well over 100 students, as they traveled and served. This provides students good training for their missionary careers and opportunities for them to serve and spread the Gospel to many different people.

Now that winter is here, we are also blessed with a great number of the Winter Volunteers that have started to arrive. They come to stay here in the colder months and serve at Rio Grande Bible Ministries.

The volunteers organized a spectacular dinner, which we attended, for the students and the missionary staff on Thanksgiving and on Christmas. It was a very blessed time to spend together. There was an abundance of food and fun for us to enjoy.

Exciting News for our Family!

Shortly after Thanksgiving we posted an announcement on our personal Facebook page announcing an upcoming edition to our family- that is right, we are having a baby! Our family had been talking about fun ways of announcing this exciting news on Facebook.

Kay came up with the idea of announcing with a short slide show, with a "movie trailer" theme. It was very cute and we sure did appreciate her creativity!

We are all excited to meet our new baby, which is due early next summer!!!!!!

Language School and the Months Ahead

We were so blessed by our visit with Auntie Kari (Travis' sister) when she came all the way down here from Minnesota to spend time with us in November.

Language School friends enjoying Thanksgiving

Our Christmas tree that was given to us from a couple at Bibleville. We are so thankful and grateful to have it!

Travis and Kay were quite excited to have completed the first semester of Language School. They were practically jumping for joy on the last day.

They have truly learned a lot in a few months and still have much to learn.

Travis is now transitioning his focus from Language School to focus more on raising support. He will continue on to the final semester of Spanish Language School after our support level has increased. Kay, however, will continue on to the final half of Language School this coming semester.

She is quite anxious about the

heavy work load this coming semester. Her classes will be taught completely in Spanish and will be required to write papers in Spanish.

The exciting news: she may be using her Spanish next fall in **SPAIN!!!** She is praying about and considering the possibility of serving as a temporary Missionary Nanny for a family that is currently attending Language School here, at RGBM. If Kay is able to go to Spain, she will potentially be leaving in August of 2016.

Please pray for her language learning and for the Lord to guide her now and in her future decisions.

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆
Happy New Year from our family to yours!

This past year has been an AWESOME year of faith and provision for our family and ministry. We have stepped out in faith serving at RGBM and have seen God's hand at work time and time again. We are so thankful for His provision. We give Him all the glory!

He has directed our family to serve here at RGBM and He knows our every need to do so. By His grace, He has supplied abundantly for us this past year: He has provided us an apartment here on campus, all of our furniture, appliances, our homeschool materials, FOOD,

clothing, and many, many other things along the way. We have never gone a day "without" and we feel ever so blessed by ALL HE has done and provided for us!

As we will continue serving here at Rio Grande, we have faith that God will continue providing for our needs. He wants to use us here and He will provide!

We give thanks for those who have been praying for us and for our partners who have stepped out in faith by supporting us financially. We continue to pray for more support and prayer partners to join our team this coming year.
