

Reaching the World

Pictured with us is Edison who is a student from Colombia. He is spending his summer, along with his team of 5, traveling and ministering in Ivory Coast. They will be spending the summer working with youth that have been fighting in the wars in the area but have now been rescued from that environment. They will also be bringing the gospel to tribes in Ivory Coast.

Edison and his team is just 1 out of 11 teams that are traveling for missions work this summer. There is a total of 27 students on these teams which are going to the following countries to serve and share the good news of Jesus Christ: Ivory Coast, India, China, Spain, Zimbabwe, Liberia, Thailand, Argentina, Georgia – Refugees, Costa Rica, Colombia. Please pray for these students, some are going into dangerous territory.

By becoming a financial partner with us you are becoming a very important part of sharing the Gospel around the world. There is much need for technology when preparing for and organizing trips like these. Please prayerfully consider becoming part of our team, it takes a lot of people to fulfill the needs of a full-time ministry such as this.

Praise: Kay's back has continued to improve. She is becoming more active and getting back to her writing. She has been making progress on her book with her back improving.

For God's provision for our needs. We were recently provided a staff house on campus which is much bigger than our previous apartment, allowing more room for kids to run and play and more room for hosting gatherings and other ministry opportunities.

Prayer requests: We will be traveling to MN and WI, starting around the middle of June. Please pray for our trip, for safety as we travel, and for God to open doors and hearts of people to partner with us in the ministry God has called us to. We covet your prayers for God's provision for us to serve, by faith, fully in His work so that the kingdom of God may increase greatly.

In His Grace,

The Valley Family
