

A New Semester Begins!

Student Body 2017

New Students for Fall Semester 2017

There will be 13 new students beginning their studies in the Bible College this semester. They come from Ecuador, Chile, Curacao and Mexico. Please pray for them as they begin a new chapter in their lives in response to God's calling.

RGBM also had 7 new students enroll in the Inter Cultural Studies Program this semester. This is a program designed to prepare those that are called to minister to Spanish speaking people.

Travis: I'm very excited for the upcoming year, getting to know the students and seeing the work God is doing through them. I'm currently in the process of completing the changes to the wireless network. We still have quite a few antennas to put up and we are researching the best method for providing wireless service to our winter volunteers who stay in campers. If you have experience with providing wireless service to a trailer park or rv park I would love to hear from you on what you found to work well in this situation.

Joe: We recently went up to Beaumont, TX for a week where Joe was used by God to teach on Colossians at a Young Adult Bible Conference.

Kay: is currently working on her second book while trying to determine the best way to go about publishing her 1st book.

Sam and Asher: are enjoying being home after the long road trip up north this summer. All the children are getting back into their studies.

Lots of Antennas and routers to install!!!!

Joe Teaching at Bible Conference

Angie: is staying very busy managing the home and educating our children.

Levi: who is now 14 months is of course enjoying his ability to get around and tries to go where he shouldn't and get into everything he shouldn't.

We are now in the process of planning another trip up to Minnesota this October to visit a couple of churches. Please pray for us

that those of us that go have a safe trip and that God opens the doors for us to visit churches.

Thank you for your prayers!

In His Grace,

The Valley Family
